Introduction

In this file . I have explain about the website i have created .

The topic given to me is create an inspirational quotes website .I have create 3 pages

1: Home page;

2: Login;

3:Sign up;

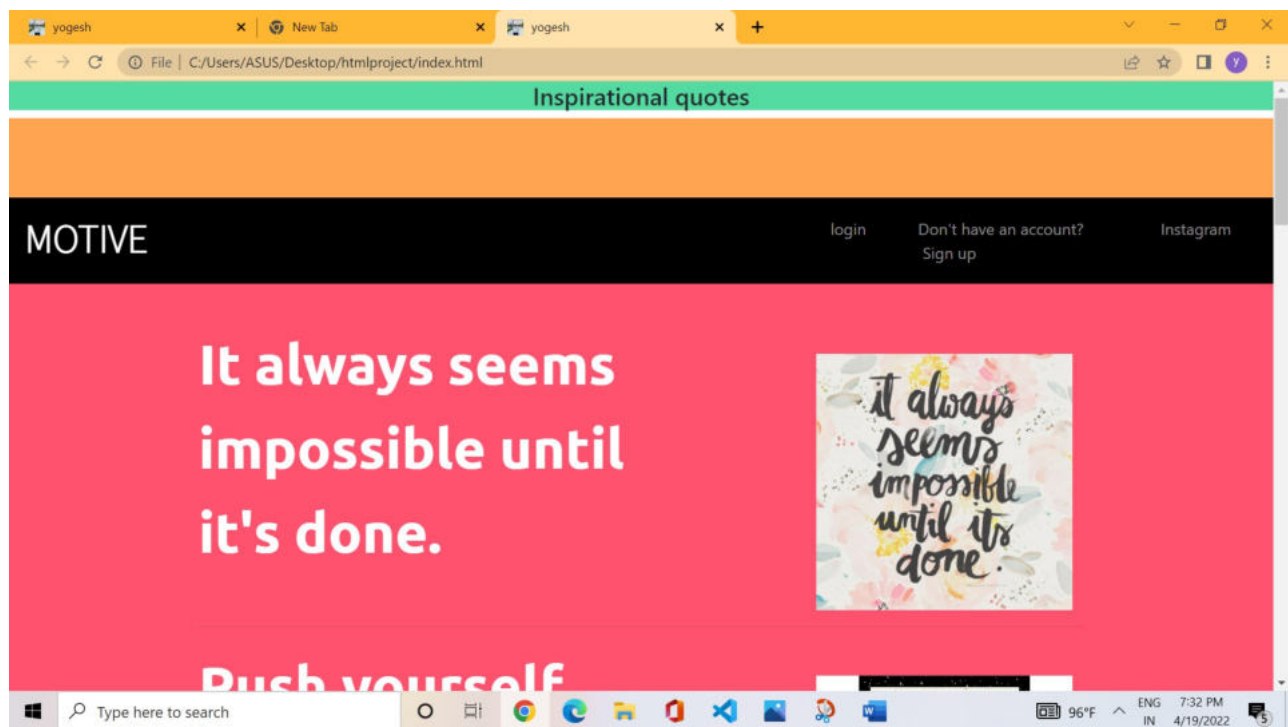

HOME PAGE

I have shared some quotes on the home page .

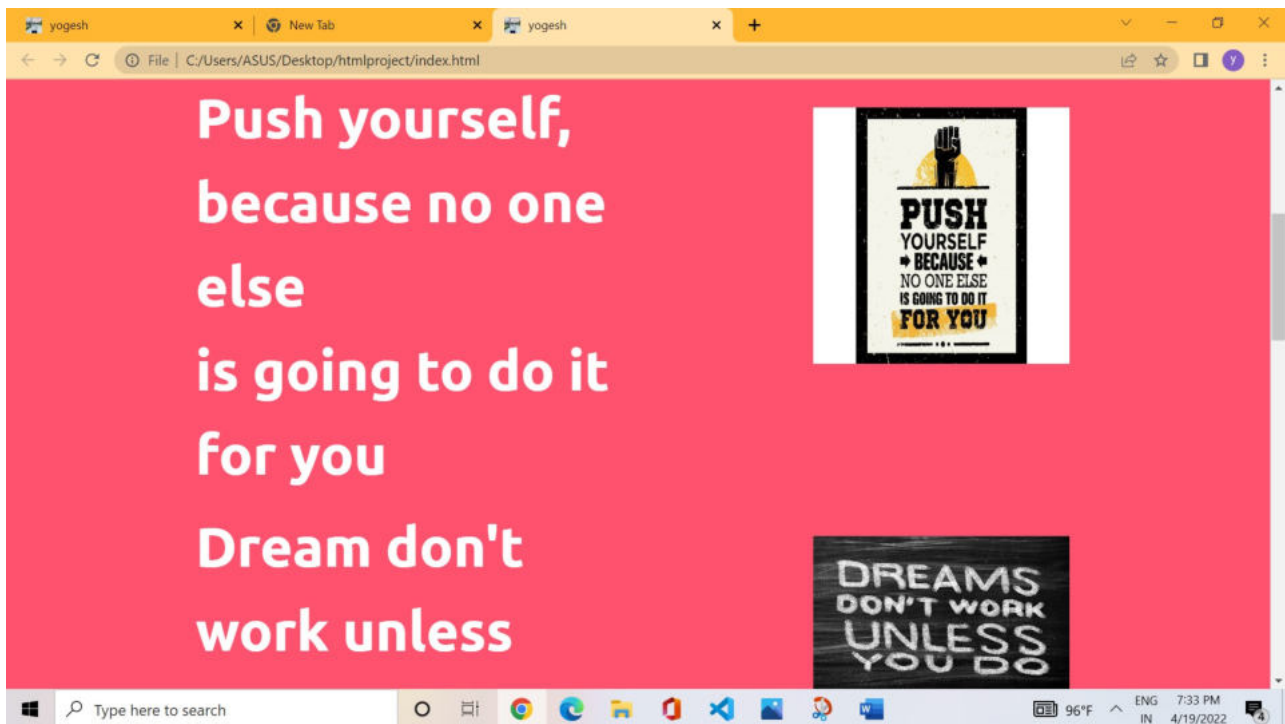

There is a navigation bar on the home page which links to the login , sign up and my social media handel.

Pictures of my home page ;
